

Chem eStandards Transaction Codes

IMPORTANT: The Chemical Industry Data Exchange ("CIDX") is a nonprofit corporation, incorporated in the State of New Jersey, which is exempt from federal taxation under Section 501(c)(6) of the Internal Revenue Code. The Chem eStandards and other publications of CIDX have been developed in furtherance of CIDX's nonprofit and tax-exempt purposes. CIDX has taken reasonable measures to develop the Chem eStandards and other CIDX publications in a fair, reasonable, open, unbiased, and objective manner for the purpose of enhancing the ease, speed and cost aspects of securely conducting business electronically in the Chemical Sector. The Chem eStandards and other CIDX publications are developed in compliance with all applicable laws, including antitrust laws, and pursuant to the CIDX Antitrust and Intellectual Property Policies ensuring open access and use, while at the same time preserving contributing companies' individual rights to their own intellectual property. The Chem eStandards may be copied and distributed in the form published and copyrighted in accordance with the license agreed to upon download, but no permission is granted for any change or modification to the Chem eStandards.

The nature of appropriate practices or guidance is likely to change over time and with developments in technology. CIDX cannot guarantee the accuracy, completeness, efficacy, timeliness, or correct sequencing of the Chem eStandards or other publications. Use of the Chem eStandards and any CIDX guidance document or other publication is voluntary, and reliance on them should be undertaken only after an independent review by the user. Inclusion of material in the Chem eStandards or other publications does not constitute a guarantee, warranty, or endorsement by CIDX regarding any guidance, methodologies, or preferences for conducting business, implementing any CIDX standards, or enhancing computer security. Further, neither CIDX nor its officers, directors, members, employees, or agents shall be liable for any loss, damage, or claim with respect to any such documents, work, or services; all such liabilities, including direct, special, indirect, or consequential damages, are expressly disclaimed. Information provided in the Chem eStandards is "as is" without warranty of any kind, either express or implied, including but not limited to the implied warranties of merchantability, fitness for a particular purpose, or freedom from infringement. The Chem eStandards and related trademarks are the property of CIDX. Copyright 2004 Chemical Industry Data Exchange. All rights reserved.

Appendix D – Chem eStandards Transaction Codes

Section	Message Name	Transaction Code
Customer	QualificationRequest	E11
